In Ancient Greece, winners received a crown of olive leaves to put on their heads. The modern Olympic Games started to give medals – gold, silver and bronze – in 1908. In Ancient Greece, the games lasted five days. Now **they** last for about 16 days. Four sports were at the first modern Olympic Games and are still there now. They are athletics, swimming, fencing and gymnastics.

Some sports that were played in the ancient games, like chariot racing, are barely even known nowadays. Some sports, like volleyball and basketball, were not in the Olympic Games until the 1900s.
