Q1: Read the following texts, and then answer the questions follow.

Text (A)

Best known as a comedian, there is a side to Nabil Sawalha that many people don't know about. Born in Madaba, but raised in Amman, Nabil moved to the UK to study engineering. It was while he was there that his acting career started. He has also studied at Oxford University, so he's obviously a smart guy.

Tennis star Venus Williams used to be world number 1. She's still a top player but she's also very smart. In 2011, Venus began to study at Indiana University. It wasn't easy to pass exams while playing professional tennis, but Venus studied online in her free time and in 2015 she got a degree in Business Administration.

Umm Kulthum is one of the most famous Arab singers and songwriters ever. She started singing at a young age and by the time she was in her twenties was performing in public and in the houses of the rich. She was also an actress and appeared in six films! Umm Kulthum studied Classical Arabic, poetry and music at school, but unfortunately never went to university. To be such a successful singer, songwriter and actor requires hard work and intelligence.
