- 5- What does the underlined pronoun refer to?
- 6- Quote the sentence which indicates conditional statement.

Text (B)

Emily Cummins began 'inventing' when she was only four. She enjoyed making things from waste material, like making toys from old things she found in her grandfather's garden. As she got older, she learnt more about different materials and how to use different tools. She was working on a school project when she had an idea to help millions of people – a small, portable fridge to keep medicines or small food items clean, dry and cool.

- 1- When did Emily begin inventing?
- 2- What did she learn as she got older?
- 3- What was Emily's idea while she was working on a school project?
- 4- Referring to the text; find out three adjectives and a verb
